Be a Part of the Unique Coburg 5K Pumpkin Fun Run on October 28th!

Coburg Main Street is excited to present the Coburg 5K Pumpkin Fun Run taking place on October 28th at 10 in the morning. We are reaching out to you with a unique opportunity to partner with us as a sponsor for this one-of-a-kind community event.

Our race stands out as participants will not just be running, but they'll be carrying pumpkins! The winner will be the one who carries the heaviest pumpkin across the finish line, adding a fun twist to a traditional race. We expect this to attract a lot of community members and participants who enjoy a light-hearted, family-friendly challenge. The event will culminate in a delightful kids costume Strut, giving our young participants the chance to showcase their creativity and celebrate the Halloween season in style.

We believe that your support as a sponsor for the Coburg 5K Pumpkin Fun Run will not only show your commitment to community engagement but also provide your brand with excellent exposure to a broad audience.

We offer various sponsorship packages tailored to fit your business needs, with benefits ranging from prominent logo placement on event materials to acknowledgment on our social media channels. I would be happy to provide more details on our sponsorship options and discuss the potential benefits for your business or organization.

You can reach me at (541)913-6570 or coburgmainstreet@gmail.com to schedule a conversation or to receive additional information. We are excited about the opportunity to collaborate with you and showcase your support for the Coburg community at the 5K Pumpkin Fun Run.

Thank you for considering this unique sponsorship opportunity. We hope to have your support in making this community event a memorable and enjoyable experience for all involved.

Best regards,
